

Note on the clay tobacco pipe from Broadgate Ticket Hall Pile Line GWB

Sitecode: XSM10

Nigel Jeffries 07/03/2012

Pdrive: P/Multi/1051/XSM10/finds/XSM10PIPENOTE03.doc

The clay tobacco pipe <308> from this site was retrieved in [888] and is a bowl type used 1700–70 (AO25). Five makers operating 1716–41 with the IA initials may be responsible for making this pipe with the left side heel also bearing a shield symbol located above the first name initial.
