The Northamptonshire Archaeological Society was formed in 1974 in succession to the Northamptonshire Federation of Archaeological Societies: its governing council includes representatives of local associations and institutions in addition to elected officers and members. The Society aims to promote an informed appreciation of the county's rich archaeological heritage through lectures and field visits, and seeks to provide an effective public voice in the interest of the archaeology of the area.

The Society publishes *Northamptonshire Archaeology* which contains reports on individual sites and subjects in addition to providing details of recent finds and fieldwork in the area. The journal is distributed free to members.

Membership of the Society is open to anyone with an interest in the past. From 1st September 1991 the annual subscription rates are:

Individual	£10
Family (husband and wife jointly)	£12
Student	£8
Local Association	£15
Institution	£25 plus postage

Enquiries regarding membership should be addressed to the Secretary, Mr M. Curteis, Central Museum, Guildhall Road, Northampton NN1 1DP.

Anyone wishing to contribute material for publication in *Northamptonshire Archaeology* should contact Martin Tingle, The Dial House, Hugh Street, Creaton, Northamptonshire NN6 8NA.

ISSN 0305-4659

Price to non-members £25
