

INDEX.

[NOTE.—As the names of Roman potters (pp. 277-286), and those mentioned in 'Durham Seals' (pp. 287-332), are in alphabetical order, they are not included in the following index. The names of persons and places in 'Durham Seals' scattered through the text and notes are however included. The names of the Roman emperors, etc., in Mr. Craster's coin lists (pp. 248-267), with one or two exceptions, have not been indexed.—ED.]
