Bronze spear-head from Milbourne . . . . .	233
Bronze age urn from West Hartlepool . . . . .	237
Sword found at Hart, Co. Durham . . . . .	241

## ACKNOWLEDGMENTS

The thanks of the Society are due to the following for financial assistance in the production of this volume: to the President for contributions towards the cost of plates illustrating the paper *A lost Anglo-Saxon Inscription Recovered* and for his *Prehistoric Notes*. The Newcastle University Committee for Archaeology has met the cost of the illustrations of Mr. Jobey's report on his excavations at Alnham and half the cost of the illustrations of Miss Harbottle's report of the excavations of the South Curtain Wall, the other half of which has been contributed by the Durham University Excavation Committee. The greater part of the cost of the plates for printing the pedigrees of the Wigham family has been met by five members of that family: Miss A. M. Wigham, Mr. Robert Wigham, Mr. John Wigham, Mr. Geoffrey A. Wigham and Mr. Maurice J. Wigham.

## EDITORIAL NOTE

For the guidance of authors the following regulations have been made:

1. All papers submitted for consideration must be clearly typed, double-spaced on quarto pages, with all references filled in ready for printing, subject only to correction of printer's errors.
2. These papers, if accepted, must be in the hands of the Editor by 28 February each year, otherwise they cannot be included in that year's volume.
3. If more papers are accepted than can be printed in any one year, the Editor will decide as to which shall have priority.
4. Authors receive twenty-five free copies of their papers. More copies can be had at cost price if ordered at proof stage.
5. Line illustrations will normally be reproduced in the text as *figures*. Line drawings should be of such a proportion as will reduce to a finished size within the limits of  $6\frac{1}{2} \times 4$  inches.

To save repetition some commonly used abbreviations are given below.

J.P.
