3. If more papers are accepted than can be printed in any one year, the Editor will decide as to which shall have priority.
4. Authors receive twenty-five free copies of their papers. More copies can be had at cost price if ordered at proof stage.
5. Line illustrations will normally be reproduced in the text as *figures*. Line drawings should be no larger than 85 × 60 cms and preferably of such a proportion as will reduce to a finished size within the limits of 140 × 185 mm.
