EDITORIAL NOTE

For the guidance of authors the following regulations have been made:

1. All papers submitted for consideration must be clearly typed, double-spaced on quarto (or A4) pages, with all references filled in ready for printing, subject only to correction of printer's errors.
2. These papers, if accepted, must be in the hands of the Editor at Albany House, West Blandford Street, Newcastle upon Tyne, NE1 4HZ, by 28 February each year, otherwise they cannot be included in that year's volume.
3. If more papers are accepted than can be printed in any one year, the Editor will decide as to which shall have priority.
4. Authors receive twenty-five free copies of their papers. More copies can be had at cost price if ordered at proof stage.
5. Line illustrations will normally be reproduced in the text as *figures*. Line drawings should be no larger than 85 × 60 cms and preferably of such a proportion as will reduce to a finished size within the limits of 140 × 185 mm.
6. Owing to the process now adopted for printing *A.A.* the lines of illustrations should be drawn more firmly than formerly and the dots of stipples should be twice as heavy.
7. Authors are reminded that alterations at proof stage are prohibitively expensive, so the text as submitted should be final.
