Acknowledgements

THE THANKS of the Society are given to the committee of the Eleventh Pilgrimage of Hadrian's Wall for their contribution towards the cost of publishing Dr. Maxfield's Pilgrimage Lecture, to the Royal Commission on the Historical Monuments of England for a grant towards the cost of publishing the survey of Haltonchesters by Keith Blood and Mark Bowden, to British Gas for their grant towards the cost of publishing Mr Turner's report on the Romano-British cemetery at Lanchester, to the City of Newcastle upon Tyne for a grant towards the cost of publication of Mr. Nolan's article on the Castle Garth of Newcastle after 1600, and to English Heritage for a grant towards the cost of publishing Mr. Whitworth's report on the Housesteads bastle. We are indebted too to the University of Newcastle upon Tyne for the cost of the illustrations to Museum Notes.

The Editor again thanks members who have read papers and advised him, and most of all to Professor Richard Bailey who in a busy year has made time to give continuing help and once more to compile the Index.

Editorial Note

For the guidance of authors the following regulations have been made:

1. All papers submitted for consideration must be clearly typed, double-spaced on quarto (or A4) pages, with all references filled in ready for printing, subject only to correction of printer's errors.
2. These papers, if accepted, must be in the hands of the Editor at Albany House, Blandford Square, Newcastle upon Tyne NE1 4HZ, by the second Tuesday in January each year, otherwise they cannot be included in that year's volume.
3. If more papers are accepted than can be printed in any one year, the Editor will decide as to which shall have priority.
4. Authors of articles receive twenty-five free copies of their papers. More copies can be had at cost price if ordered at proof stage.
5. Line illustrations will normally be reproduced in the text as *figures*. Line drawings should be no larger than 85×60 cm and preferably of such a proportion as will reduce to a finished size within the limits of 150×185 mm.
6. Owing to the process now adopted for printing *A.A.*, the lines of illustrations should be drawn firmly and stipples should be relatively coarse.
7. Authors are reminded that alterations at proof stage are prohibitively expensive, so the text as submitted should be final.
8. For guidance in presentation authors are referred to the *MHRA Style Book* which may be obtained from W. S. Maney & Son Ltd., Hudson Road, Leeds LS9 7DL, for £3 post free.
