

## Summary of documents digitised for artefacts and environmental finds (mortaria, other pottery and other finds including environmental)

find class	level/type	site name	specialist*	details	documents	drawings	photographs	comments
mortaria	analysis	Mancetter Broad Close-Hartshill	Kay Hartley/ Yvonne Boutwood	recording system	Mancetter-Hartshill mortarium archive			Guide to mortaria recording system, Boutwood 1992
		Mancetter Broad Close - Hartshill	Kay Hartley/ Yvonne Boutwood	fabric descriptions	Mancetter-Hartshill mortarium fabrics			Boutwood 1992
		Mancetter Broad Close - Hartshill	Kay Hartley/ Yvonne Boutwood	form classification	Mancetter-Hartshill mortarium type series categories			list of form categories, Boutwood 1992
		Mancetter Broad Close-Hartshill	Kay Hartley/ Yvonne Boutwood	form classification	Mancetter-Hartshill mortarium type series 'A' rims			list of type/group codes for 'A' series rims
		Mancetter Broad Close - Hartshill	Kay Hartley/ Yvonne Boutwood	form classification	Mancetter-Hartshill mortarium type series			methodology, Boutwood 1992
		Mancetter Broad Close - Hartshill	Kay Hartley/ Yvonne Boutwood	trituration grits	Mancetter-Hartshill trituration grit types			methodology (grit descriptions & codes), Boutwood 1992
		Mancetter Cherry Tree Farm	Rowan Ferguson	trituration grits	Trituration grits			list of codes for grit arrangement and type (based on Boutwood 1992)
		Mancetter Broad Close - Hartshill	Kay Hartley	form classification by kiln	Types found in kilns at Mancetter			list of form types found in kiln 9 (marked as possibly out of date)
		Mancetter Cherry Tree Farm	Rowan Ferguson	decoration typology	Mancetter Cherry Tree Farm mortarium decoration typology			Guide to decoration typology used for CTF mortaria
		Mancetter Broad Close - Hartshill	Kay Hartley/ Yvonne Boutwood	kiln list	Hartshill and Mancetter mortaria			summary of mortaria archive record sheets by kiln
		Mancetter Broad Close - Hartshill	Kay Hartley	list of potters	list of potters at Mancetter-Hartshill			list of potters, alphabetical
Mancetter	Kay Hartley	list of potters	list of potters at			list of potters, arranged		

find class	level/type	site name	specialist*	details	documents	drawings	photographs	comments
		Broad Close - Hartshill			Mancetter-Hartshill			by potter's number
		Mancetter Broad Close - Hartshill	Kay Hartley/ Yvonne Boutwood	type series tasks	Mancetter-Hartshill publication of mortarium type series			list of tasks required for publication of type series, Boutwood 1992
		Mancetter Broad Close - Hartshill	Kay Hartley/ Yvonne Boutwood	pottery records	pottery record sheets			samples of pottery record forms used by Kay Hartley/Yvonne Boutwood
		Mancetter Cherry Tree Farm	Rowan Ferguson	pottery records	pottery record sheets			samples of pottery record forms used by Rowan Ferguson
	publication drawings	Mancetter-Hartshill all?	Rowan Ferguson	mortaria decoration		mortaria decoration x2		publication figures
	publication drawings	Mancetter-Hartshill all?	Rowan Ferguson?	mortaria stamps		mortaria stamps x1		?draft publication figure. Scale not provided (diameter of the stamped rim as drawn 285mm)
	working drawings	Mancetter Broad Close - Hartshill all?	Rowan Ferguson	mortaria decoration		mortaria decoration drawings		working drawings showing all examples of decoration, arranged by decoration code (no scales, 61 x A4 sheets)
	working drawings	Mancetter Cherry Tree Farm	Rowan Ferguson	mortaria by feature/context		mortaria drawings by feature/context		working drawings mortaria by feature/context, with form code and fabric number. Photocopy reductions mounted on 60 x A4 sheets; no scales provided)
	working drawings	Mancetter-Hartshill all?	Kay Hartley/ Yvonne Boutwood	mortaria forms		mortaria forms series annotated		working drawings, mortaria forms by form code (KH drawings, with site code/context and drawing number, annotated with

								decoration)
		Mancetter Broad Close-Hartshill	Brenda M Dickinson	samian report	Samian ware from Hartshill and Samian ware from the kiln site Manduessedum by Brenda M Dickinson			reports and catalogues
other finds	working drawings	Mancetter Broad Close	Prof Shotton	?Neolithic axe		annotated sketch of axe		axe from W70, annotated with comments
	analysis	Mancetter Broad Close	Kay Hartley	contexts producing glass	Mancetter contexts producing glass			handwritten notes describing contexts producing glass
		Hartshill		kiln bars	kiln bars			notes and annotated sketches of kiln bars from H60 and H61
		Mancetter Broad Close - Hartshill	Peter Cheer	tile record	tile recording sheet			sample sheet showing how tile was recorded
		Hartshill	Peter Cheer?	tile list	Hartshill tile (list made at Leeds during initial sorting of pottery)			list with sketch of tile from H60
		Mancetter Broad Close - Hartshill	Peter Cheer	tile list	Mancetter tile (list made at Leeds during initial sorting of pottery)			list of tile from W69, W70, W71, W77, M65
	publication drawings	Mancetter Cherry Tree Farm		flint		flint		flint from MC83 SF 1 (no scale provided; maximum length as drawn 108mm). See report
	photograph	Hartshill		penannular brooch			penannular brooch	penannular brooch from H60 (see brooch report no 22)
	report	Mancetter Broad Close	Barbara Noddle	animal bone report	animal bone from Mancetter			report and tables on well-preserved group from a well and bone

find class	level/type	site name	specialist*	details	documents	drawings	photographs	comments
								from other contexts
		Mancetter Broad Close - Hartshill	Don Mackreth	brooches report	Mancetter brooches (and 1x Hartshill)			22 brooches and an unidentified object, most from Mancetter, 1 pennanular brooch from Hartshill (see photo)
		Mancetter Cherry Tree Farm	Graham Morgan	charcoal report	charcoal by Graham Morgan			list of charcoal samples by context (1987) including from kilns
		Mancetter Broad Close - Hartshill	Elizabeth Pirie	coin list	coins Mancetter (K F Hartley excavation) and Hartshill excavation 1961, 1965			coin list by date, with site/context information
		Mancetter Broad Close	Allan Hall	puff-ball report	report on a puff-ball from Roman Mancetter			report on a puff-ball from a Roman well (1986)
		Mancetter Broad Close	Jennifer Price and Hilary Cool	glass report	The Roman glass from Mancetter			report, catalogue and tables. Mainly cullet, melted glass and waster fragments associated with glass production
		Mancetter Broad Close	Helena H Clark	grain report	The Mancetter grain			report on grain sample from the flues of the drying kiln (1973)
		Mancetter Broad Close	J G McDonnell	slag report	Mancetter/Hartshill slag report			summary report and tabulation of slag from sites W63, W64, W69, W70, W71, W77, M65
		Mancetter Cherry Tree Farm	John Pickin	flint report	flint by John Pickin			report on flint from MC83 SF1 (see drawing)
		Mancetter Cherry Tree Farm	W A Seaby	coin report	Bronze coin by W A Seaby			report on a very decayed coin from MC83 SF5
		Mancetter Broad Close - Hartshill	Janet Webster	small finds report	The Roman small finds from Mancetter and Hartshill			report on Mancetter cu alloy finds (brooches, bronze vessels, medical/cosmetic tools, personal

find class	level/type	site name	specialist*	details	documents	drawings	photographs	comments
								equipment etc), lead, glass, pottery/stone spindle whorls & counters, other stone, iron; Hartshill objects of stone & pottery counters
		Mancetter Broad Close	Peter Cheer	tile report	Mancetter tile report (fabrics, types, combing) tabulation by area (1988)			discussion of fabrics, types, combing etc; tabulation by area (1988)
		Mancetter Broad Close	Jennifer Hillam	tree-ring report	Mancetter excavations 1977: tree-ring analysis			report on three oak timbers from disused well
		Mancetter Broad Close	S J Allen	wooden objects report on 18 wooden objects found in a well (circular board, bucket/ tub, oak trough)				an assemblage of wooden objects from a well at Mancetter: a catalogue and report

\*Kay Hartley and Yvonne Boutwood provided feedback on authorship at the end of the project, after this table was completed. It has not been possible to cross reference all the attributions given here. If there are any inconsistencies between this table, and authorship given in the various introduction texts and metadata, then the introductions and metadata should be considered more reliable.
