Jan. 16th -

Dear Mr. Armstrong,
Many thanks
for your kind letter offering to
send the U.S. which I send
with this. When you have read
it will you please know if you
think it can be finished,
and if so, would it trouble you
too much to do it? I am
quite sure he would rather

You did it how anyone else
only it seems a great thing to
ask of you. In any case per-
haps you will tell the Co. Op.
Society that the article is
unfinished.

With kind regards,

Yours Sincerely

S. Babamandary
