Dear Sir,

At the request of Mr. J.E. Forster, I have been engaged some time on a history of Sheffield Castle, intended to be published in a brochure with other matter, on the opening of the new premises of the Brightside and Carbrook Co-operative Socy.

He has asked me to write you with regard to a number of photographs you took of various portions of the castle brought to light in the excavations made for the foundations of the new premises. I understand that you were good enough to promise the use of these for reproduction purposes when the time arrived for the preparation of the brochure, and at Mr. Forster's request I am writing to ask if a selection from them might be made - on loan of course - for the purpose of preparing the blocks and arranging the necessary page-space for matter and illustrations.

I could call upon you on either Tuesday or Thursday evenings of this week if either would suit, and shall be glad to have your reply as early as may be convenient. Perhaps there may be opportunity of calling upon you in town during the day?

Mr. Forster asks me to add that full acknowledgement will be made under each photograph used, and your wishes in the matter of arrangement would be adhered to as far as possible.

Yours faithfully,

J.H. Brigham.

SECRETARY

2nd. May 1928.

Dear Sir,

re: SHEFFIELD CASTLE.

When the time arrives for the opening of our new Central Premises in Exchange Street and Waingate, the Board propose to issue a brochure which should, in their opinion contain information relative to the Sheffield Castle. In preparing the copy for this publication, I should much appreciate any help which you could render by furnishing whatever particulars you may have in your possession relating to this matter.

I know that you have for many years, been keenly interested in old buildings and so far as the Sheffield Castle is concerned, there is certainly a historical interest and value which could be appropriately used in a proposal of the kind referred to.

I shall be glad to meet you at any time by appointment to discuss the matter further.

Thanking you in anticipation,

Yours faithfully,

John E. Forster
