

SOCIETY OF ANTIQUARIES OF LONDON,  
BURLINGTON HOUSE, PICCADILLY, W. I.

13. i. 28.

Dear Mr. Armstrong,

Reginald Bristle tells me that  
you have a note for the Antiquaries  
Journal on Sheffield Castle.

We should like to publish it  
in the April number, so I hope  
you will be able to let me have it  
not later than the end of this month:  
if possible I should like to have it  
earlier.

Yours sincerely

H. S. Jennings
