

WANDSWORTH CHURCHWARDENS' ACCOUNTS
FROM 1574 TO 1603.

COMMUNICATED BY CECIL T. DAVIS,
LIBRARIAN OF THE WANDSWORTH PUBLIC LIBRARIES.

THE following Accounts are in continuation of those which have been previously¹ printed.

It may be noted that very few entries of burials appear in the concluding portion of Book No. 1.

On page 118, mention is made of a payment in aid of the "Rogues" (*i. e.*, prisoners) in the Kingsbench, but on page 120 and in succeeding entries they are at the White Lion² (Southwark).

Allusion is made incidentally to the shooting butts on page 131. A facsimile of this page is given.

The statute regulating the use of caps and hats (13 Eliz., c. 19, 1570) is purchased; see page 137.

On page 141 occurs "Brazil Mill"; here brazil dye was prepared, *cf.* CHAUCER, "to dighen with brazile." On the same page is an allusion to a great catch of salmon in the River Thames. The Lord Mayor had settled the quarrel between the tenants of Wandsworth and those of Putney as to the right of fishing in the Thames. There exists in the Guildhall Muniment Room a letter dated 16 June, 1582, from William, Lord Burghley, relating to this dispute. A list of those assessed to supply the Queen with hay is given on the same page, and is continued on the next: also on page 19 in Book No. II.

¹ *Vide* Vol. XV, page 80, and Vol. XVII, page 135.

² *Vide* S. A. C., Vol. III, page 195.

In 1582, the Lammas rights are established, and the hayward is empowered to charge for marking with tar or pitch the initials P. W. on every beast grazing on the Lammas Lands; also he may impound all strange cattle.

A list of the town harness is given on page 146.

John Edwin is Vicar, 1561—1585. On 20 Jan., 1578 (21 Eliz.), he and his son Guevedecaell had a lease granted them for 50 years at a yearly rent of £5, of practically the whole of the parish property. The deed is still in existence and in custody of the Town Clerk of Wandsworth. He died in 1585, and was succeeded by Jerom Shepherd, B.A. In 1596, Robert Allen, M.A., was appointed Vicar. Edmund Goodchild is styled Minister in 1576.

In 1597, the gallery in the Church was built, and the "Batchellers" contributed 2s. 9d. towards the cost.

The great wind of 21 March (36 Eliz.) is mentioned.

On page 24, is recorded that a piece of a "Cope" was purchased to make a "pulpitt Cloth" for the new pulpit.

In 1599, are noted receipts of fines for breaking the observance of the Lord's Day,—a foreshadowing of 3 Car. I, cap. 3, and 29 Car. II, cap. 7.

As already stated, the earliest book contains the Accounts of the Churchwardens of the Parish of Wandsworth for the years 1545—1583. A gap of seven years intervenes between this book and the next in which are these accounts for the period 1590 to 1654. It is a quarto and covered with vellum. When it was handed over to my custody, the book was damp and more than signs of mildew were apparent. The book is consequently very badly stained and loose in its covers.
