

OBITUARY

Henry Elliot Malden, M.A., F.R.Hist.Soc.—The Society has sustained a very great loss in the death of Mr. H. E. Malden, which occurred on 16th March 1931. He had been a member of the Surrey Archæological Society since 1890 and possessed an unrivalled knowledge of the history of the County. Besides contributing freely to our *Collections*, he carried on the work of the Society as Secretary during the difficult years of the war, and his addresses on all sorts of places in Surrey are familiar to those who have attended the Society's Excursions. He was the author of a history of Surrey and Editor of the *Victoria History* of the County, and he also edited a number of historical works not directly connected with the County. He leaves a gap which it will be difficult to fill.
