THE SURREY ARCHÆOLOGICAL SOCIETY  
CASTLE ARCH, GUILDFORD

---

1962

The COUNCIL of the SURREY ARCHÆOLOGICAL SOCIETY desires it to be distinctly understood that it is not responsible for any statement or opinions expressed in the COLLECTIONS, the authors of the communications and articles being alone accountable for the same.

In particular, the method of transcription of documents, their transliteration and spelling are left to the compiler of the contribution, the Honorary Editor being in no way responsible for the method adopted.

#### GIFTS AND LOANS TO THE SOCIETY

Members and friends desiring to give or lend books, documents or objects of antiquarian interest to the Society for the Society's Library at Castle Arch, or for deposit in Guildford Museum, are earnestly requested to send such gifts or loans to the Hon. Secretary, Surrey Archæological Society, Castle Arch, Guildford, with a covering letter stating whether the objects sent are a gift or loan to the Society. As regards articles intended for the Museum, these should be accompanied by full particulars, such as where found, date of finding, etc.

Members wishing to leave money, books or articles to the Society by Will are asked to make use of the following Clause:

"I GIVE to the Surrey Archæological Society of Guildford free of duty the sum of £ (words and figures) (for books or other articles, a description is necessary). AND I DECLARE that the receipt of the Treasurer or other proper officer of the Society shall be a complete discharge therefor."

The Honorary Editor will be glad to receive contributions of county interest, either in article form, or in notes, with appropriate illustrations. Copy should be in typescript, on one side of the page only, and should be complete in every particular for publication. The Editorial Committee reserves the right to file at Castle Arch articles too long for publication, and facilities will be given for obtaining microphotographic copies of such material.

In the interests of economy, the Council has decided that its Report should be omitted from this volume.
