23/06/17

ADDITIONAL INFORMATION

(any further details that may be important for understanding the context, including items marked * overleaf)

Cut of ditch. The ditch widens considerably inside the slot. The reason for this is unknown. There doesn't seem to be a second feature in the slot - the area is homogeneous. This ditch intersects with [60203] just north of this slot.

UPDATE 26/06/17: SLOT EXTENDED TO CLARIFY RELATIONSHIP
BETWEEN [60203] and [602056]. THE FORMER TRUNCATES THE
LATTER.
