ADDITIONAL INFORMATION

(any further details that may be important for understanding the context, including items marked *overleaf)

Cut of pit, probably naturally filled

There is a second & shallower pit next to this one and other pits and postholes nearby but there are no obvious connections between them.

Single fill, contained a few pieces of worked flint.

Refer to context

SKETCHES

(consider: location plan, detailed plan showing relationships, section showing fills/deposits as appropriate)

For sketch plan see ~~324044~~ [323920]

For sketch section see (324043)
