demolition

DEMOLITION

Deliberate. brief. - ? mat. reused
& site ~~backfilled~~ backfilled & ? levelled.

Cistern. w.
c. 1500-1600.
Dre. mid (6).
Mids. W. 1575-800.
Rookley Smith -
early (6) coin w.
course w. c. cistern w.

(Date) last evid. for use. - Tin glazed pot.
Sealed deposit. deposits, latest. (red. pit) - early stoneware

mainly Cistern. & Rammed
1550-74

Check Jettan; Check curved stone profile.

Check Cistern. w. kiln dates.

Photogs. - dates of Survey?
NB ? window in Allard trench.

spalling of window
probab. later
? 1580's.

BUILDING

3 sides of sq. or rect. building.

REALLY
NOT CERTAIN
wall lines rather hazy

Towers at NW & NE corners. poss. later adds : not banded in ; & at

NE corner reused masonry to 'top' drain' to take
collapsed &
extra weight of tower - jettan rebuilt at new addit.

2 phases to tower? NW. Apical addit. ? staircase
NE complex system of drains & channels probab.
for piping rammed strengthened & paved completely.
