

26th February 1975

Mrs. Margaret Guido,
3 Brock Street,
Bath BA1 2LN.
U.K.

Dear Mrs. Guido,

I have not thanked you for your letter of January 30th last concerning the beads. I am very glad that you are interested in the material from Aksum and I propose shortly to send a selection of the beads or colour photographs thereof for your use.

You mention many little local factories turning out their own repertoire. Is this demonstrable or merely an assumption ?

Yours sincerely,

H.N.Chittick
