

T.G.H.James, Esq.,  
Keeper, Dept. of Egyptian Antiquities,  
The British Museum,  
London WC1B 3DG.

27th December, 1974.

Dear Mr.James,

I thank you for your letter of 28th November concerning the specimens of faience. The red material in the middle looks to me different in nature from the white but this is entirely a layman's view on optical inspection. I have written to Dr.Werner to ask if he has any views on the matter.

Yours sincerely,

H.N.Chittick  
Director
