August..
Epping Upland [sent by Maureen Bennell 2001] Body sherd
from a fineware mortarium in fairly fine-textured
orange-brown fabric packed with minute quartz
inclusions visible only at x20 - moderately well-
sorted. No surface slip survives. Interturbation grit:
abundant, tiny; virtually all quartz (almost all transparent,
few white, few rose-coloured); Three red brown? sandstone
and one flint on sherd. (sample)
