THE PARISH REGISTERS OF S. NICHOLAS,
LEICESTER.

(Continued from page 38.)

IN the following registers the exact spelling and wording and arrangement are given of the Weddings and Christenings; but only the name with date, of the Burials. Some difficulty was experienced in deciphering several of the records.

The *copy* which is mentioned from time to time at the foot, was made in the fourteenth year of Charles II., and is a transcript of all the previous registers; so that up to this date the Parish of S. Nicholas is the happy possessor of two sets of Registers. While giving this information, it must be added that the Charles' *copy* is not *always* correct.

There are a few interesting facts recorded in the "weddings" such as those in the years 1614 and 1615. Also in the "christenings" the peculiar "headings" of 1612, 1613, 1614; and 1615 where the *minister's* name, William How is given. He seems, according to the hand-writing previous and subsequent

to 1615, to have occupied the position from February, 1614, to April, 1617. In 1618 Francis Higginson was minister. The previous vicar, Thomas Jesson—see register of Burials—was buried 28 June, 1614. Also note Ales the wife of Thomas Jesson, 8 June, so he only survived her 10 days.

In the years 1610, 1611, there seems to have been an epidemic in the Parish; several members of the same family having died in that year.
