Leicester Abbey

medieval history, archaeology
and manuscript studies

Edited by Joanna Story,
Jill Bourne and Richard Buckley

This volume has been produced to mark the
150th anniversary of the Society
Hardback with dustjacket 314 pages
Many illustrations in colour ISBN 0 9542388 1 8
Non-members can purchase a copy at £25.00 (plus £5.00 p+p UK)

LEICESTERSHIRE ARCHAEOLOGICAL AND HISTORICAL SOCIETY

Founded in 1855

Join the County's Premier Archaeological and Historical Society.....

**.....if you have an interest in archaeology,
local history, churches, historic buildings,
heraldry, history or any other topic concerned
with Leicestershire's past.**

Membership costs only £16 a year and this entitles you to

- receive a copy of the annual journal
- receive a copy of the Leicestershire Historian
- attend lectures
- take part in occasional excursions
- use the library
- receive the Newsletter

**Two members from the same household can join for £20,
but only receive one copy of the Society's publications**

**If you would like to join the Society, or require further details, please contact
the Honorary Membership Secretary,
Mr Geoff Clark-Monks, The Guildhall, Leicester, LE1 5FQ**

Now on the internet <http://www.le.ac.uk/archaeology/lahs/lahs.html>

Leicestershire Archaeological and Historical Society

RESEARCH FUND

Guidance notes for those applying for grants

The Society welcomes applications for grants from this fund along the following guidelines:

1. Applications are invited for research which focuses on the archaeology and history of Leicestershire or Rutland. Research which places evidence from these counties into a broader regional or national framework is also welcome.
2. Non-members of the society are eligible to apply for funding.
3. Applicants would be expected to disseminate the results of their research to members of the society by giving a lecture to the society and/or publishing in one of the annual publications which the society produces. On big projects, progress reports would be expected as a condition of an award.
4. Grants from the Society should be acknowledged in any publication or display that results.
5. Average grants in recent years have been in the region of £200–£500. Larger sums than this can be considered where an exceptional case can be made.
6. Applicants should complete a form which can be obtained from the Honorary Secretary and submit this along with any supporting documentation in time for Trustees to consider the application at their March or October meeting [1st February for the March meeting and 1st September for the October meeting]. The Trustees may at their discretion consider applications at other times depending upon the number considered at each of their normal meetings.
8. Applicants will be expected to name one or two people who can write in support of the research project with one named as the primary referee.
9. Trustees are keen to support primary research. Applications might be for travel to do field work or visit archives, costs of equipment and consumables, such as finds bags or excavation tools, or work connected with preparing reports for publication, such as drawings and photographs. Grant will not be made for fees or living expenses for students writing theses.
