MA Archaeology

The MA Archaeology is designed to teach the methods and practice of contemporary archaeology. It is suitable for both volunteer and professional archaeologists. Our MA in Archaeology has been designed to fit around the lives of working people. Core course and options modules take place over the weekend and in one week slots. The MA course runs from October to July and is undertaken over two years on a part-time basis. See: www.bbk.ac.uk/ce/archaeology/ma_archaeology.html
