

London Archaeological Bibliography 2020

Compiled by Bruce Watson

Wherever possible, a direct link to download a free copy of the article has been given. However, some articles are only available by subscription or payment and these are designated as [Available online] with no further information.

Editorial note, the Prehistoric to Post-Medieval reviews of the archaeology of Greater London reprinted in *Fifty Years of London's Archaeology: Papers from the 50th Anniversary Conference of London Archaeologist* are not included in the 2020 Publication Round-up. They were included in the 2019 Publication Round-up under their respective issues – see:

- J Cotton 'Prehistoric London: retrospect and prospect' *London Archaeol* **15** (3) (2018), 59–66;
- P Rowsome 'Roman London: researching its rise and fall' *London Archaeol* **15** (4) (2018), 91–8;
- R Cowie 'Saxon London: past milestones and future challenges' *London Archaeol* **15** (5) (2018), 123–30;
- J Schofield 'Medieval London: rich resources and new directions' *London Archaeol* **15** (6) (2018), 155–63;
- J Pearce 'Post-medieval London: growing world city' *London Archaeol* **15** (7) (2019), 187–96.
