Interpretation and discussion																													
cut of ditch that crosses with the ditch [1120]. Both fills are very similar and we can't see the relationship, so probably both ditches are contemporary and they were abandoned and filled at same time.

Interpretation and discussion Cut of pit with one gill. This pit is covered by the spread (1170), that also covers the gill (1173) of the ditch (1171). Fragments of Roman pottery and animal bones found in its gill. It's the same pit that (1149), that at the beginning was considered a ditch.
