

## CORRIGENDA

---

J. M. Lewis, *The Medieval Tiles of Wales* (Cardiff 1999)

Several minor mistakes that are likely to bewilder and irritate the close reader went undetected during the proof-reading of the above. Errata slips, even if conscientiously inserted by the publisher, are notoriously liable to become mislaid, so it might be helpful if they are published here, with accompanying apologies for the necessity of having to do so.
