JOURNAL OF THE MEDIEVAL POTTERY RESEARCH GROUP

medieval ceramics

THIS JOURNAL was conceived to meet the need for an annual publication devoted to all aspects of pottery studies from the Early Saxon to the Post-medieval period, including theoretical, methodological and analytical aspects of pottery research.

An annual conference is held (usually in May) and meetings of regional groups take place at more frequent intervals. The Medieval Pottery Research Group has many Continental members whose work overlaps with that of British members. *Medieval Ceramics* welcomes offers of appropriate articles on all aspects of ceramic research for publication.

Notes for contributors are given on page iv.

All general correspondence concerned with the Medieval Pottery Research Group should be sent to the Secretary, MPRG, c/o Museum of London Specialist Services, Mortimer Wheeler House, 46 Eagle Wharf Road, London N1 7ED.
