

PARISH REGISTERS

THE Society has about sixty parish registers on deposit. They are kept in the Muniment Room which is an authorised repository for parish registers and can be consulted by searchers on Wednesdays, or by appointment with the Hon. Librarian, Mrs. Elvey (telephone Chalfont St. Giles 2274).

The Society also has a large number of MS. transcripts, kept in the Muniment Room. Members can arrange to have them put out in the library temporarily. They would rapidly deteriorate if always kept there. The printed registers are on the library shelves.

A list of parishes follows with symbols, showing what is available in the Museum. o: Original register. m: Phillimore's Marriages. p: Printed register. t: MS. transcript.
