STATEMENT OF COUNCIL RESPONSIBILITIES

The Council is required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Society at the end of the year and of the incoming and outgoing resources for the year then ended.

In preparing those statements the Council is required to

- select suitable accounting policies and apply them consistently; and
- make judgements and estimates which are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the Society will continue its activities.

The Council is responsible for keeping proper financial records which disclose with reasonable accuracy at any time the financial position of the Society and to enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the Society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Council and signed on their behalf on 12 July 2006.
