11.0 Site archive	5
Appendices	
Appendix 1: Colour plates	6
Appendix 2: Post-Roman pottery and ceramic building material assessment report	7
Appendix 3: Worked lithic materials assessment report	10
Appendix 4: Animal bone assessment report	11
Appendix 5: List of archaeological contexts	12

List of Figures

Figure 1: Site location at scale 1:25,000

Figure 2: Site location at scale 1:2500, with the school grounds outlined in red

Figure 3: Plan of the new extension at scale 1:150, showing the location of exposed archaeological features and drawn sections. The areas shaded dark grey are accurately located, the areas shaded light grey are located approximately due to flooding in this part of the foundation trenches. Sections A-B, C-D and E-F are shown on figure 4

Figure 4: Section drawing of excavated footings at scale 1:20 Located on figure 3

List of Plates

Plate 1: General view of the development area, looking north-north-east.

Plate 2: Footings of the existing school, as exposed in the south-east corner of the development area. Looking south-south-west.

Plate 3: Monochrome plate showing ditches [107] and [109] at the west side of the development area. Looking west-north-west.
