

Stone Hall Barn, Matching, Essex.

Owners digital 97 - to E showing midstrey wall and the single bay beyond. New access to lean-to and front side entry door into midstrey has been filled in. Framing also shows midstrey to be original.

Owners digital 98 - to W showing bay beyond midstrey and the midstrey bay with arcade posts and aisle. Note the shores to the aisle ties and different infill to the end wall in the aisle. Double doors added for office conversion in previous change.
