

**Parsonage Farm, Parsonage Green, School Lane, Broomfield, Essex.**

Building C west building. The Cowhouse timber framed & weatherboarded with later lean-to and plain tile roof.

Front, north, wall of cowhouse, primary braces & knees.

East wall timber framed much reused timber.

Rear, south, wall with buttresses is the north wall of the garden. Floor now mainly covered in concrete was all brick.

West end now has a small loose box with a feed trough set in front of door into the garden.

Added lean-to to the west end with stall divisions having linking gates for selection of animals or as calve pens. End wall of cowhouse opened up to allow access.
