

Appendix 1: Colour Plates

Plate 1 (right): General view of the farm buildings and recent plantation, looking north-west from the south-east corner of the site. The new development of Lady Meers Road is visible on the right-hand edge of the picture.

Plate 2 (left): The drain forming the western site boundary, looking northwards from the south-west corner of the site. The relict river bank can be seen as a shallow ridge near the tree on the west bank of the drain.

Plate 3 (right): The recent boundary between the two southern fields, looking north up the east side of the drain towards the slight trace of the relict riverbank.
