

Fig.2: General Site Location at Scale 1:2500 (above). The area of hand excavation is shaded green, and the area stripped for the pipe trench easement is shaded in red.

Detailed Site Location at Scale 1:500 (right). Area 1 (hand excavation) is outlined in solid green, Area 2 (hand excavation) is outlined in dashed green: this area is enlarged in Fig. 3. The extent of the stripped area for the pipe trench easement is outlined in solid red, while the pipe trench itself is outlined in blue. The shaded area was not covered by the archaeological brief. Drawings taken from Scott Wilson 2008.
