<b>KEY</b>		
	Positive linear anomaly - possible service/drain	
	Linear area of positive response with accompanying negative response - possible service	
	Magnetic response - race track, tennis courts and goal posts	
	Area of magnetic debris	
	Area of magnetic debris - indicating possible modern structural remains	
	Point of positive anomaly - possible pit/depression	
	Area of dipole anomaly - probable ferrous object or burning	
	Area of moderate positive response - possible infilled pit/depression	
	Positive linear anomaly - cut feature of possible archaeological origin
