A walk-over survey was undertaken on 6 February 2015 along the route of a proposed new hydro-electric scheme at Ardeonaig on the south side of Loch Tay. The route crossed mainly pasture land belonging to Succoth Farm. The only feature of archaeological interest encountered was an area of rig and furrow to the immediate W of a ruined farmstead (NN63NE 62) at NN 6692 3537.
