

## **NORTH AYRSHIRE**

### **Kilmory parish**

#### **Glenscorrodale overhead line walk-over survey**

*Walk-over survey*

*John Lewis – Scotia Archaeology*

NR 9459 2506 to 9633 2799 A walk-over survey was conducted on 16 April 2015 along the route of a proposed new overhead power line at Glenscorrodale, Isle of Arran. The only features of note along this route were the sparse remains of the possible farmstead of Corrieham at NR 95421 26494 and sections of pre-modern boundary walls at NR 95534 26479, NR 95677 26829 and NR 96254 27879.
