

**Bermondsey BA84**  
Susan M Wright 2008

The publication differs significantly from the archive material.

**Changes to land use and period numbers since the draft copy sent to EH and specialists**

Two extra periods have been created and the land-use numbers have changed (as a result of the changes required by EH)

Oracle has not been changed to reflect current text. Below is a concordance table to link the book to Oracle and the specialist reports

The publication text and period plans have been changed to match the current landuse/period nos
