

Key Plan:

- Key:**
- ⊕ WSO1 Window Sampler Hole
 - Location of proposed Standpipe

Notes:

1. All dimensions are in metres unless noted otherwise.
2. The proposed embankment is shown for information only.
3. Thin walled sampler in very soft/soils (Class 1 samples) are to be avoided.
4. See also Designer's Risk Assessment.
5. Site boundary is the working area around each exploratory hole location.
6. Window Sampler to have SPT capability or a Dynamic Probe is undertaken adjacent to window sampler hole.
